

What Hurdles Come in The Way of a Love Marriage?

**What hurdles
come in the way of
a love marriage?**

“A good marriage is one which allows you to live for your partner and grow in the individuals and in the way they show their love.”

Love is the feeling sometimes you cannot express to your partner, but you love her or him very much. These days, the trend of love marriages is at its peak, but somehow relationship failures are also adding more to tears. It is a strong bond of a relationship that tends to jump or ignore hurdles, leap fences, and simply wants to get married to your loved ones.

Then why do so many questions blink in our minds about the success of love marriage and why is there a debate on Love Marriage vs Arranged Marriage? Love is a passion that starts as a flower to blossoms throughout the life of a couple. For a long-lasting and successful love marriage, you can easily [talk to astrologers](#). Surely, they give you the best advice for your successful married life.

Problems in The Way of Love Marriage

- **Parental Consent in Marriage**

Sometimes couples get married without the consent of their parents, even if their parents disapprove of their proposal. In such cases, the girl gets tough when no one likes her. Parental consent is necessary for Indian society.

- **Negativity All Around**

Getting married without parental approval creates negativities in the house and creates problems for the love marriage couple.

- **Conflict Between Partners**

There is discord and dispute between the couples doing love marriage. They start quarreling over trivial matters and misunderstandings arise between the two. Partners should give time after marriage.

- **Inter-Caste Love Marriage**

In India, boys and girls marrying each other should be of the same caste. Although they have lifted their mindset from this tradition, some places still follow these rules.

- **Rejected By Families in Love Marriage**

Many times couples are rejected by their parents because they have married the love of their choice.

- **Social Pressure in Love Marriage**

Inter-caste marriages are not well accepted in India, so most couples face a lot of social pressure.

Remedies For Problems in The Way of Love Marriage

- **Talk Well With Each Other**

Both the couple can share their feelings with each other. But if communication is not done properly then your relationship can break. But if both the partners talk well then it makes their life successful.

- **Spend Time with Each Other in Love Marriage**

If you both spend quality time with each other then it is definitely helpful for both of you. Because with this you come closer to each other and also know each other's likes and dislikes.

- **Build Faith**

It is very important to have trust between both the partners because only trust builds the relationship.

- **Learn To Forgive**

You should ignore such things which can create problems between you and your partner.

- **Understand Each Other**

If any problem arises, both of you can easily solve it by understanding each other.

- **Don't Insult Each Other in Love Marriage**

You should not insult each other. And absolutely not in front of any relatives or friends.
