## Why Emirates Airlines is the Best Choice for International Travelers

 Deesh Singh  2025-04-01  0  1

Emirates Airlines, born in 1984, is one of the largest United Emirates airlines and the national carrier of the United Arab Emirates. Serving 150 destinations across 80 countries, it is the largest operator of Airbus A380 and Boeing 777.

With over 51.9 million passengers travelling in the fiscal year 2023-24, **Emirates Airlines** has a cabin crew from 12 different nationalities. You can book your travel from more than 300 cities through the partner airlines of Emirates Airlines and their on-ground travel partners.

# Inside Emirates Airlines

The Emirates A380 offers 4 different types of capacities. For a 4 Class (ultra-long-range), it offers 484 seats, 517 seats for a 3 Class (long range), 489 seats for 3 class (ultra-long-range), and 615 seats for 2 class (long range). The Emirates Boeing 777 offers 354 to 365 seats for 3 class and 426 to 442 seats for 2 class.

You can fly First Class, Business Class, Premium Economy, and Economy Class via Emirates Airlines flights A380 or Boeing 777. While the option to choose the class you want to travel by comes up on the Emirates Airline online booking portal, here's what every class features:

## Flying First Class

Flying first class in either Emirates A380 or Boeing 777 comes with its own set of benefits. The first class offers comforts like:

- Byredo's skincare collection is exclusively made for their flights that'll help you sleep.
- Bowers and Wilkins E1 noise cancelling headphones so you can enjoy a movie you like with a snack of your choice.
- A bedtime kit that'll ensure you get good rest as the material of pyjamas releases natural moisturizers.
- Their amenity kits constitute various useful items like a 30ml Le Gemme Kobraa fragrance, a Bulgari aftershave balm in the men's kit and Le Gemme Orom fragrance, and an elegant, gold-lacquered Bulgari mirror in the women's kit.

## A380

Flying in an Emirates A380 is almost like flying in your private jet. Constituting sliding doors and a seat that fully

converts into a fully flat bed, this **Emirates airlines flight** offers gourmet meals and a shower spa for you. With inflight entertainment, you get to choose from a selection of premium beverages and canapés, served by the dedicated bartenders of Emirates.

### **Boeing 777**

Boeing 777, like A380 offers you a suite that allows comfortable seating, personal dining service, personal lighting, temperature control, and a widescreen with thousands of channels of entertainment. With comfort items like luxury Bulgari fragrances and amenity kits and seats that recline to zero gravity, this Emirates airlines flight ensures you have a restful journey.

### **Business Class**

Flying in business class in either Emirates A380 or Boeing 777 provides you with comforts like:

- Loungewear made from botanical fibres for long-haul flights that comes in drawstring pouches giving you the comfort you need during your travel.
- Exclusive Bulgari sets that constitute a 30ml Bulgari Man In Black fragrance along with Bulgari shaving balm, body lotion, and lip balm for men and pops of coral to reflect the Bulgari Omnia Coral fragrance, Bulgari face and body lotion, Bulgari lip balm, and an additional hand mirror for women.

### **A380**

The cabin of Emirates A380 has a seat that reclines fully into a flat bed with a soft and cozy blanket and constitutes an Onboard lounge. You get to choose from a regionally inspired gourmet menu as you enjoy the inflight entertainment. With great legroom, this seat has a slider that creates a separation between two adjacent seats

which makes it great from a privacy point of view.

## **Boeing 777**

Boeing 777 cabins constitute seats that can relax you and there is a personal minibar from where you can pick a drink of your choice while you enjoy inflight entertainment. With regionally inspired gourmet dishes, you can enjoy your journey restfully and stay connected with the world while you are on the flight.

## **Premium Economy**

With wider and more comfortable seats that allow you to stretch out raised cushion rests, this flight by Emirates airlines gives you just the comfort you need during your travel. Adjustable headrests and a deeper recline with overhead mood lighting create a relaxing atmosphere.

The food served in this flight is based on their regional monthly menu on the woodgrain tables that elevate your dining experience. With a 13.3-inch HD TV, you can connect your headphones wirelessly via Bluetooth which makes your travel more comfortable and fun.

## **Economy Class**

Unlike normal economy class flights, this flight offers you thousands of channels, onboard Wi-Fi, and regional cuisine you'll enjoy. With a regionally inspired meal, this United Emirates airline packs everything from entertainment to comfort in the travel. Allowing you to pick complimentary beverages, this flight offers sustainable amenity kits on longer flights that make sure you feel fresh.
